Announcement

E*Pro Technologies is pleased to announce that we have delivered over 1150 websites to one of our esteemed client in the US, using the DotNET Nuke technology. We consider this a significant achievement considering that we commenced operations for this client only in June 2008.

Our congratulations to the entire team at E*Pro involved in this project.

This success has encouraged us to achieve many more such milestones in the months and years ahead.

Sadeesh Venugopal

President/CEO

E*Pro Group of Companies
